CP400HC

Humidifier Chamber

Respiratory equipment accessory

CP400HC chamber - front view

The CP400HC is a humidifier chamber for a respiratory equipment setup. Its model reference identifies the component when discussing an order or replacement with ProLine.

Chamber-specific ordering

Use the CP400HC reference and the equipment model when requesting the chamber. Ask ProLine to confirm the supplied component and its connection to the device.

Confirm the device connection

Chamber volume and compatible device models need confirmation from ProLine. Provide the equipment model and ask for the chamber specifications and applicable care instructions.

FEATURES

- Humidifier chamber
