CP725NP

Replacement Nasal Pillow Only

Replacement interface component

CP725NP product image

The CP725NP is the replacement nasal pillow only, offered in small, medium and large. It provides a component-level replacement option when a complete mask assembly is not the item being requested.

Pillow-only configuration

This listing is for the nasal pillow component in small, medium or large. Include the required size and existing mask reference when asking ProLine to confirm the replacement.

Check size and compatibility

Specify small, medium or large and provide the existing mask reference to ProLine. The correct component match and product-specific care instructions must be confirmed for the equipment in use.

FEATURES

- Small, medium and large sizes
