HC6000SEHR

Hybrid Fold N' Go Semi Electric Bed

Semi-electric homecare bed

Product photo not yet available

Ask ProLine for an approved image of this exact model.

The HC6000SEHR is listed as a Hybrid Fold N' Go semi-electric homecare bed with a 450 lb weight capacity. Use the full model reference when asking ProLine to confirm the configuration.

Keep the operation type clear

The semi-electric designation identifies the listed bed format. Ask ProLine to confirm which adjustments are powered, how height is set and how the folding mechanism operates for HC6000SEHR.

Confirm dimensions and supplied components

An exact product photo, dimensions and bed weight are not available for this listing. Confirm the sleep surface, adjustment methods, rails, mattress arrangement and the basis of the 450 lb rating with ProLine before finalizing the equipment request.

FEATURES

- 450 lb weight capacity
