HC6500FEHR

Hybrid Fold N' Go Full Electric Low Bed

Full-electric low homecare bed

Product photo not yet available

Ask ProLine for an approved image of this exact model.

The HC6500FEHR is listed as a Hybrid Fold N' Go full-electric low homecare bed with a 450 lb weight capacity. Use the full model reference when asking ProLine to confirm the bed configuration.

Identify the required bed format

The full-electric low-bed designation identifies the listed bed format. Ask ProLine to confirm the individual powered adjustments, controls and folding procedure for HC6500FEHR.

Confirm the final setup

An exact product photo, dimensions and bed weight are not available for this listing. Ask ProLine to confirm deck heights, sleep-surface dimensions, rail and mattress configuration, the basis of the 450 lb rating and handling details before selecting the setup.

FEATURES

- 450 lb weight capacity
