HCP8EXT

Bed Extension for HC8000/HC8500 Beds

Homecare bed extension

HC8000 bed shown for context; HCP8EXT extension is not pictured separately

The HCP8EXT is a bed extension listed for the HC8000 and HC8500 bed series. It is an accessory to those named beds, with configuration details to be checked against the bed already in use.

An accessory for named bed series

The extension is listed for the HC8000 and HC8500 bed families. The full-bed image provides context; the extension component is not pictured separately.

Plan the complete configuration

Confirm the exact bed model, extension length, supplied components and required mattress arrangement with ProLine. Kit contents and compatibility beyond the named bed families need confirmation.

FEATURES

- For HC8000/HC8500 beds
