PA4500DA

PA4500DA Bariatric Steel Drop Arm Commode

Steel commode with drop arms

The PA4500DA bariatric steel commode combines a drop-arm design with adjustable seat height and a listed 500 lb capacity.

Drop arms and height adjustment

The drop-arm design opens the sides of the seat when the arms are lowered. Seat height from the floor is listed from 19 to 24 inches, giving a defined range to consider when coordinating the commode with the surrounding setup.

Check the complete fit

Overall dimensions are 28 inches wide by 20 inches deep. Confirm the usable seating dimensions and final configuration with ProLine.

FEATURES

- 500 lb weight capacity
- Drop-arm design
- Steel frame
