RPOC6

RPOC6 Portable Oxygen Concentrator

Portable oxygen concentrator with supplied accessories

RPOC6 product image

The RPOC6 portable oxygen concentrator is listed with an 8-cell battery pack, AC and DC power supplies and a shoulder carry bag. Those components define the published portable equipment package.

Power and carrying components

The supplied package also lists a nasal cannula, extra foam filter and user manual. AC and DC power supplies and the battery are distinct components to check when confirming what accompanies the concentrator.

Verify output and runtime for this model

Delivery mode, output specifications, battery duration and equipment weight need confirmation for RPOC6. Ask ProLine for the current model documentation and required equipment configuration before selecting the package.

FEATURES

- 8-cell battery pack
- AC/DC power supplies
