# WC2000

## K1/2 2000 Series Wheelchair

Carbon steel wheelchair with detachable desk-length arms.

K1/2 2000 Series Wheelchair

The WC2000 K1/2 wheelchair combines a carbon-steel frame, detachable desk-length arms and a dual axle. It has urethane tires and composite wheels.

### Height and leg-rest choices

The dual axle provides a hemi-height configuration, and the 8-inch front casters have three height positions. Swing-away footrests or elevating leg rests are listed choices; confirm the required configuration with ProLine.

### Seat and product weight

Seat widths of 16, 18 and 20 inches are listed with a 16-inch depth and a 300 lb weight capacity. The listed product weight is 40.75 lb without the footrest. Open widths are 24, 26 and 28 inches for the respective seat sizes.

## FEATURES

- Detachable desk-length arms
- Height-adjustable front casters
- Urethane tires and composite wheels
- Silver Vein finish
- Vinyl upholstery
