WC4000

K4 4000 Series Wheelchair

Carbon steel wheelchair with adjustable desk arms.

K4 4000 Series Wheelchair

The WC4000 K4 wheelchair combines a carbon-steel frame with height-adjustable detachable desk arms, urethane tires and composite wheels.

Casters and leg-rest choices

The 8-inch front casters have three height positions. Swing-away footrests or elevating leg rests are listed choices; confirm the required configuration with ProLine.

Seat and folded size

Seat widths of 16, 18 and 20 inches are listed with a 16-inch depth and a 300 lb weight capacity. The folded width is 11 inches. Open widths are 23, 25 and 27 inches for the respective seat sizes.
